The process of planning your wedding reception should be fun and full of excitement. We take care of the details so that your focus is you as a couple. Our experienced team has planned weddings from New York to Italy and know the how's and what's that make an amazing event that is sure to compliment every style. After all, this is the first day of the rest of your life together. It should be incredible!

Process

Every couple is different and your wedding reception should reflect your style. Whether it is a simple afternoon cocktail and hors d'oeuvres reception or an elegant evening reception with crystal candlesticks and first class specialties, Vickers understands that this is an event to remember for a lifetime. We will help you with whatever you may need from favors, to themes and flowers. Our private vendor list is at your fingertips to help you find music, invitation designers and much more.

Packages

Vickers provides a range of options suited for each and every budget. Our wedding packages are designed for ease and comprehension. There are no hidden fees. Our most popular package is \$120 but we can customize anything you'd like to make your reception more elaborate or just a small simple celebration. Whatever you choose, know that at Vickers, your event will be memorable, elegant and distinguishable.

Concepts

Vickers Restaurant is the transformed home of famed abolitionist and Chester County potter, John Vickers. Adjacent to the historic 1820s farmhouse (which is used as a 100 seat restaurant) is the private Plantation Ballroom that's quiet elegance and grand décor make it the perfect venue for top-notch wedding receptions.

Three grand brass chandeliers illuminate the elegant ballroom that is outlined with custom millwork, adding a finished elegance to the space. Ten 6-foot windows scale the walls and are ornamented with plantation shutters to preserve the historic feel of the neighboring house while adding quite grandeur.

French doors open onto our outdoor patio surrounded by lush landscape. This is the perfect space for an outdoor cocktail hour in warm months. For winter weddings, our Hunt Room can be used for cocktails and hors d'oeuvres. An oversized hearth fireplace brings warm light to everyone's favorite dining room clad in reclaimed wood from the early 19th century barn that once housed John Vickers pottery.
